

**Dear colleagues!**

The registration of participants (**PRESENTERS ONLY**) is **obligatory**. It is organized using the cloud service **BEZKASSIRA.BY**. There are two types of registration:

1. **Free registration** – using a **promo code** (will be sent to some participants by **00:00 CEST+1 06.09.2021**).
2. **Charged** – if there is no promo code. We sincerely ask you to respect this decision of the Conference Committee.

- **For participants outside Belarus:** paid registration is possible using popular payment systems only (**CREDIT CARDS**). Other ways are not possible due to the complexity of remote signing of contracts, acts as well as problems associated with transferring non-cash from abroad.

- registration fee is 75 BYN (approx. 25 EUR)
- settlements are in Belarusian rubles (BYN). Conversion to local currency is performed by your bank and payment system.
- one registration fee means payment for participation in a conference with one or two papers of **THE SAME SPEAKER**
